The screenshot shows the Nero ControlCenter application window. The title bar reads "Nero ControlCenter". The main content area is titled "Serial numbers" and includes the text: "Here you can manage your serial number(s) and upgrade your Nero product(s)."

On the left side, there is a vertical menu with four items: "Serial numbers" (highlighted with a red box and a red arrow), "Update" (with a red arrow pointing up), "Online options", and "Language".

The main area contains a table with the following data:

Product	Serial number	Expires	State
Nero 2014 Platinum	9040-0198-Z5EU-U5M9-5422-WC24...	Never	OK
Nero MediaHome	?	Never	OK

Below the table, there are three buttons: "Upgrade", "Available Applications", and "Add". At the bottom, there is a "Privacy statement" section with a small disclaimer.

Red annotations include a box around the "Serial numbers" menu item, a box around the "Expires" column header, and a red arrow pointing to the "Never" value in the "Expires" column. The text "Expires /Never" is written in red in the center of the table area.
